

## **CAN CANs CALL TO ACTION**

---

The 53rd Holiday Parade is set for Saturday, December 9<sup>th</sup> in Woodland from 10 am to 1pm. Please consider joining us that day for a fun event that will provide connections, camaraderie and funds for our local charities.

The CANTree has a long rich history of providing needs money and food to our local charities. We will be working this year to support the Yolo Food Bank & STEAC that services their clients as well as supports 46 other non profits in Yolo County.

As real estate professionals we have such a great opportunity to work with the community year round. This is our chance to pay it forward and do something good for those that need the extra help this time of year.

If you would like to participate please contact:
