Final Exams for all courses are multiple choice questions and can be completed in office or online. You are guaranteed to PASS! CE Students are asked to schedule in office testing dates with staff and to allow at least 24 hours notice.

In accordance with the new CalBRE regulations, no licensee will be allowed to TEST for more than 15 hours of credit in one day. Please keep this in mind when planning your testing. Therefore, if taking the full 45 hours you will need to allow three days to complete testing (15 hours each day) or it can be spread out more but not less than three days.
