

2013 Master's Club Award Recipients

*To be eligible for Masters Club Membership, you must meet the qualifying amount of real estate sales totally at least **\$3 million in production AND 8 closed ends.** Master's Club members provide documentation of these sales through the Metrolist system.*

Congratulations to the following REALTORS® that were awarded Master's Club this year. 2011 was the first year Yolo AR offered a Master's Club. At which time 19 members applied for this distinction and became 'founding members.' We are pleased to report that 11 new recipients were added to this distinguished list of Yolo AR Master's Club this year.
